

Tatted Earrings Designed by Kathy Potter © 2004

These sweet little earrings were tatted by Kathy in a beautiful variegated silk thread. Kathy gave them to me for the newsletter quite a while ago, but I forgot I had them! Sorry about that, Kathy.

Seeing as this is the Christmas issue, I thought I'd tat them in red and white and make them Christmas Earrings!. Made in Altin Basak (equivalent to around a 30 - 40 thread), they measure 3 1/3cm x 1
