

## Clover earrings

by Claire Perrin

Those earrings were inspired by Kersti's *Bumpy* bookmark.

The pictured earrings were made in Lizbeth 20 thread, colorway *Falling leaves* (#100).

Feel free to add beads if you like.

Equipment: one shuttle and ball of your choice of thread, two earring hooks ; facultative : beads.

Abbreviations: ring (R) et chain (Ch), picot (-), simple join (+), folded join (for the last join between the rings), return work (RW).

The numbers in the diagram and in the short-hand explanations refer to the number of double stitches.

Joins are indicated with red bars on the diagram.
