## Materials:

8x9mm Bead with 4-hole square mount

I found mine @ eBay seller 2wanweiguo1213 “Silver Plated Rhinestone Spacer Bead Decorative Accessories 8x9mm 4holes” \$0.99/10 beads [free shipping], available in various colors. Not a personal recommendation other than acceptable service and a lengthy wait for overseas “ground” shipping; I just don't know of any other suppliers.
