

# Dot Picot Cross by Georgia Seitz

*Ushas Creations*

www.shuttlecreations.blogspot.com

This beautiful cross is designed by Georgia Seitz and tatted with two shuttles. Its center ring flanked by four big and four small mock rings. Dot picots and very small rings are thrown off these mock rings. The Dot Picots give decorative effect of beads adding beauty to the tatted cross.

## Techniques Required:

Split Ring, Dot Picot, Dot Picot on a ring, Mock Ring.

## Material Needed:

This cross is made with Anchor Thread No.20 using two shuttles.

## Abbreviations:

SH1- Shuttle 1

CTM - Continuous Thread Method

Ch- Chain

SS -Switch Shuttle

o on R -[Video Link](#)
