

A Heart for the Holidays

Using two shuttles begin tatting from the small ring which forms the bottom point of the heart and tat split rings up the left side, ring and chain at the top, cloverleaf for the center, repeat ring and chain and complete right side with split rings.

R 3 - 3 close ring. Do not reverse work.

Split ring: 5 - 5 / 5 - 5 close ring with shuttle one.
Repeat three more times

Reverse work. Use shuttle two for the inner rings

(Note: to create the all right side up look for this motif, tat these four regular rings in reverse stitch order.) Use shuttle one for the chains.
