MidgeMarly: Hi from Ontario Canada!!

tamiestatting@gmail.com: Hi Ladies. I am back. Had to get me a drink and get things settled with the dogs

Winkerbill: hi Midge. I'm from the US....the southeast. Got SNOW last night (it was gorgeous)

Winkerbill: and it was gone before lunch time today.

MidgeMarly: Awwwww!

tamiestatting@gmail.com: we got the cold no snow here. ice due next week Steph

tamiestatting@gmail.com: Pam I got your message thank you

Pam - Needle Teacher: welcome

Winkerbill: It was snowing like mad a little after 11 p.m. Stopped by 1 a.m. Too dark to be able to watch it snow and tat in my warm corner, though.

Winkerbill: and gone today.

MidgeMarly: We had snow recently as well, temp is hovering around zero Celsius.

tamiestatting@gmail.com: I am ready for some spring. Our patio faces a beautiful wine orchard.

tamiestatting@gmail.com: welcome Diane

MidgeMarly: Feel like you are in Italy or France Tamie??

Winkerbill: today it's hovering around 8 C (46 F)

harolahlala: hello everyone

Winkerbill: hi Harolah

Dyannah: Snow finally showed up to stay for a while this past week in upstate New York. Where I am we have about a foot. Where my mother lives, about 45 minutes east of me, she had almost two feet

harolahlala: hi winker

tamiestatting@gmail.com: sometimes but I can't wait until the grapes are ripe the farmer may find me under one of the grape vines munching away. LOL

Diane: Hi everyone!

Dyannah: Hi Harolahlala - how much thread do we need for your snowflake?

tamiestatting@gmail.com: Hi Diane and Harolah

MidgeMarly: I have a concord grapevine in my backyard!

Winkerbill: oh, wow, 2 feet of snow. That would be such FUN. :) Maybe if we got it on a regular basis, I wouldn't love snow so much. Here, though, it's a rarity, and when it DOES snow, it's gone, usually within 24 hours.

tamiestatting@gmail.com: that makes me think of a snow igloo for some reason. I would love that

harolahlala: i would say full shuttle ctm

tamiestatting@gmail.com: my doggies would love that. LOL

Winkerbill: Wonder how they keep things like bees/wasps away from the grapes.

Angie: hi all

tamiestatting@gmail.com: they spray them constantly

Winkerbill: We have grapevines, several different varieties.....but it feels like you're risking your life if you try to pick them

harolahlala: but not real sure it not very big so i think you could get away with half and if need be slt to get more thread

Winkerbill: bees bore holes in them and eat them....and only the 'business end' of the bee is sticking out....touch the wrong grape, get stung

tamiestatting@gmail.com: the sell the wine in where it is processed. I have tried some of the sweeter wines and they are really good. the ones that are bitter I can't get past my nose. I am not a drinker but if it taste like grape juice I am in

MidgeMarly: Harolah, how much for needle tatting, which I plan to use today?

harolahlala: i have seen them put a netting around the grape clusters to keep birds and things out

tamiestatting@gmail.com: Hi Teresa

Winkerbill: Or you could just use a full shuttle, then make something else with whatever thread is left. 😊

TeresaW - T.A.T. Coordinator joined the chat 2 hours ago

harolahlala: midge i have not a clue on the needles

tamiestatting@gmail.com: Pam how much thread with the needles any idea

MidgeMarly: Pam?

Winkerbill: Netting....yeah, that would probably work if you have a really fine netting so the bees can't get in.

Winkerbill: I bet it smells wonderful when the vines have flowers....and when the grapes are ripening.

tamiestatting@gmail.com: oh yes

Diane: Tamie where do you live? I used to live in Sonoma County, Calif.

Marion: Hi Everyone here in the U\k we had around 4 inches of snow today first time for us in the east

tamiestatting@gmail.com: we live in sticksville Kentucky population 2500

tamiestatting@gmail.com: if someone has a baby we may surpass that number

Winkerbill: My parents dogs would eat the strawberries when they got ripe. Dad had to put a fence around the berry patch....

Pam - Needle Teacher: i have an apple tree i never get apples from since the deer eat them before they are ripe

tamiestatting@gmail.com: actually a small town outside of Frankfort

Pam - Needle Teacher: i also have trees that look deformed from deer eating them

Pam - Needle Teacher: Hello Bev

tamiestatting@gmail.com: my grandma planted strawberries beside her carport and when they would ripen she never got a strawberry pie if I was there. All the ripe ones would be gone. LOL

tamiestatting@gmail.com: Hi Bev and Susan

Winkerbill: We don't get pears - the crows sit in the tree and eat them before they get big enough to pick. We DID get apples, though....until a hurricane blew the tree down, anyway

Pam - Needle Teacher: SPLIT RINGS ARE JUST WHAT IT SOUND LIKE IT IS A RING SPLIT IN TWO USUALLY WRITTEN 6 / 6 US NEEDLE PEOPLE DO THE FIRST HALF (6DS) NORMAL THEN YOU TAKE YOUR THREAD OUT OF THE NEEDLE TURN YOU NEEDLE AROUND SO THE EYE IS WHERE THE TIP USE TO BE THEN YOU DO THE -- RODS = REVERSE ORDER OF DOUBLE STITCH WITH THE TAIL THREAD – NOW YOU WOULD RETHREAD YOUR NEEDLE AND DO A --- SCMR = SELF CLOSING MOCK RING TIE AND REVERSE YOUR WORK

tamiestatting@gmail.com: PAM CHRISTINE IS SHUTTLE

tamiestatting@gmail.com: NOPE

Pam - Needle Teacher: THANKS TAMIE

tigerbutter- laurel: k

TeresaW - T.A.T. Coordinator: To really make this flake an easy finish, use the Magic Thread. Insert filament loops in the first five stitches of the first chain on round 3. Then insert another filament in the last five stitches of the last chain.

tamiestatting@gmail.com: YOU WILL TAT 3 DS AND JOIN

Pam - Needle Teacher: WE SHOULD COLOR CODE OUR NAMES LOL SORRY CHRISTINE

tamiestatting@gmail.com: THAT IS OK PAM EASY TO MISTAKE

tamiestatting@gmail.com: BUT IF WE DO CTM NO NOT IT IS EVEN BETTER RIGHT TERESA

tamiestatting@gmail.com: KNOT

Pam - Needle Teacher: FOR US NEEDLE TATTERS YOU CAN NOT JOIN WITH YOUR CORE THREAD IT IS ON YOUR NEEDLE SO YOU JUST PICK UP THAT PICOT WITH YOUR POINT AND SLIDE IT ON YOUR NEEDLE

Angie: join to where?

tamiestatting@gmail.com: TO THE FIRST PICOT ON THE PREVIOUS CHAIN

tamiestatting@gmail.com: IT IS AN UPJOIN

TeresaW - T.A.T. Coordinator: You still have to finish the flake somehow ... depending upon how you intend to display/hang the snowflake.

carol: K

ChristineAS: Do we tat Rnd 3 with Sh 1 or Sh 2? With Sh1, the threads have to cross.

Angie: upjoin is "normal" join??

Vikkzen left the chat 85 minutes ago

ChristineAS: Is it an onion-ring type of join? That's the other spot where I got stuck.

tamiestatting@gmail.com: WELL TRUE AND THAT IS WHERE THE MAGIC THREAD WOULD GO THEN. NEVER THOUGHT ABOUT THAT I ALWAYS USE THE THREAD ITSELF AS A LOOP TO HANG IT BY

tamiestatting@gmail.com: YES CHRISTINE

tamiestatting@gmail.com: YOU CAN DO AN UP JOIN OR EVEN A CATHERINE WHEEL JOIN THERE EITHER WOULD WORK

tamiestatting@gmail.com: THEN YOU TAT 2 MORE DS

tamiestatting@gmail.com: AND HERE COMES THE JOY

ChristineAS: I don't know what you mean by "Up Join". Is that a regular join? The picot to join to is below the chain.

tamiestatting@gmail.com: A THROWN OFF JOSEPHINE KNOT

Pam - Needle Teacher: AS PAM CALLS THE LOVELY LUMPS OF TORTURE

tamiestatting@gmail.com: YES CORRECT. I APOLOGIZE

tamiestatting@gmail.com: I WILL BE SO EXCITED WHEN WE GO LIVE AND YOU CAN ACTUALLY SEE WHAT IS HAPPENING BEFORE YOUR EYES

Winkerbill: I usually don't use the thread tail to hang a snowflake/ornament. The bare thread wears out much faster than the tatted part, so I hide the tails, then use a sturdier (or easily replaceable) filament to hang it with.

tamiestatting@gmail.com: EASIER TO EXPLAIN THAN IN TEXT FORM TO BE HONEST

tamiestatting@gmail.com: SOME THINGS IN LIFE JUST NEED PICTURES

tamiestatting@gmail.com: LOL

TeresaW - T.A.T. Coordinator: Steph, that's also my method of choice.

Marion: sound intrieging Tamie

tamiestatting@gmail.com: BE MINDFUL WHEN CLOSING THAT JOSEPHINE RING

tamiestatting@gmail.com: IT CAN BE A BUGGER TO CLOSE BECAUSE IT IS SO SMALL

carol: K

tamiestatting@gmail.com: TAKE YOUR TIME HAVE PATIENCE AND DO NOT THROW YOUR SHUTTLE

Marion: As I found out 🤔

Pam - Needle Teacher: THAT IS THE SAME EXCEPT YOU COULD DS JK 7 OF FIRST OR SECOND SIDE OF DS AND ANOTHER DS -- SOME DO IT THIS WAY AND SOME DO NOT -- TO ME THE DS MAKES THEM A TAD BIGGER -- SO YOU MIGHT SHORTEN THE JK TO 5.

tamiestatting@gmail.com: HOWEVER IF YOU DIDN'T WANT A JOSEPHINE KNOT WHAT ELSE COULD YOU DO

Angie: is this like we learned in class, with the spaces? or just reg/tight

Anita Barry joined the chat 79 minutes ago

Pam - Needle Teacher: PICOT BEAD 3 BADS

Carol Best: throw off a tiny ring

Pam - Needle Teacher: BEADS

tamiestatting@gmail.com: REGULAR TIGHT OR WITH SPACES YOUR CHOICE

tamiestatting@gmail.com: THAT IS WHAT MAKES TATTING FUN

Pam - Needle Teacher: WITH SPACES BOTH NEEDLE AND SHUTTLE MAKES IT SMOOTHER

tamiestatting@gmail.com: YOU CAN MAKE IT YOUR OWN BY CHANGING IT UP

Angie: gotcha

LindaB: hi anita

Victoria E: k

tamiestatting@gmail.com: OK SO COULD YOU USE JUST A REGULAR RING INSTEAD OF THE JOSEPHINE KNOT

Marion: ok good but going to master theJK

Pam - Needle Teacher: OR YOU COULD SKIP THEM

tamiestatting@gmail.com: JUST REMEMBER THE JOSEPHINE KNOT IS WHAT MAKES THIS SNOWFLAKE SHINE

tamiestatting@gmail.com: IT GIVES IT THAT ADDED WOW FACTOR

LindaB: sure does

Angie: NO! I must tat that jk. lol

sktattingdesigner@gmail.com joined the chat 78 minutes ago

Marion: No skipping for me I will persevere

Pam - Needle Teacher: THAT IS ONE THAT IS SO MUCH EASIER ON SHUTTLE THAN NEEDLE

tamiestatting@gmail.com: BUT YES YOU COULD USE A REGULAR RING IF YOU WANTED TO BUT BE MINDFUL IT IS MEANT TO BE A SMALL DAINTY RING

Angie: does it matter if it's first halves?

Angie: or second halves?

tamiestatting@gmail.com: EITHER OR

Marion: Best tips for closing JK please

tamiestatting@gmail.com: YOUR CHOICE AGAIN

Pam - Needle Teacher: IT IS YOUR TOOL AND YOUR STRING SO YOU DECIDE

Cyn: slowly and carefully when closing the jk in my experience...

tamiestatting@gmail.com: THE BEST TIP I CAN GIVE YOU IS ADD AN EXTRA DS BEGINNING AND END BUT IT WILL TAKE AWAY FROM THE LOOK OF THE KNOT

Marion: ok ty Tamie

Angie: flipped stitches?

tamiestatting@gmail.com: PATIENCE IF YOU WANT THE BEAUTY OF THE KNOT TO BE PREVAILENT

Pam - Needle Teacher: AND MAKE IT BIGGER SO I SHORTEN THE JK TO 5

harolahlala: the trick di have learnd for myself is bank the 1/2 stitch close but don't crank them down with tension

tamiestatting@gmail.com: YES YOU WILL FLIP YOUR STITCHES

TeresaW - T.A.T. Coordinator: Just a bit of a hint on JKs to share. Start the JK with a full double stitch, do the number of half stitches (I like 2nd halves) then finish with one 1st half. While the ring is still on your hand, drop the shuttle through the center of the ring then pull the ring closed SLOWLY while getting the ring still in your pinch.

AKTATTER joined the chat 75 minutes ago

tamiestatting@gmail.com: HAROLAH DOES THESE ALL THE TIME

tamiestatting@gmail.com: GEORGIA HELLO AND WELCOME

Angie: ooookk... that's what i was doing wrong...

Winkerbill: i make doubly sure that the JK is

Winkerbill: 'arranged' exactly the way i want it, then pinch it, THEN carefully close it.

Angie: (well, 1 thing among many)

Pam - Needle Teacher: HELLO GEORGIA

Winkerbill: hi Georgia

tigerbutter- laurel: hi Georgia

ChristineAS: Hello Georgia!

Angie: hi Georgia!!!

tamiestatting@gmail.com: PERSONALLY THE HARDEST PART OF THIS PATTERN IS THE JOSEPHINE KNOT

Cyn: Hi Georgia good to see you today

Carol Best: Hi Georgia. So glad you stopped in

Victoria E: Hi Georgia

tamiestatting@gmail.com: HOWEVER THE PATTERN IS DAINY ALL ON IT'S OWN THE KNOT MAKES IT ALL THE BETTER

Linda: Hi Georgia!

Dyannah: hi Georgia

harolahlala: Hi Georgia

Diane: Hi Georgia

Marion: Hi Georgia

AKTATTER: Happy Ignore the Supervbowl Sunday!

tamiestatting@gmail.com: WE ARE HAPPILY TATTING THE DAY AWAY HERE

harolahlala: that is our plan Georgia

AKTATTER: So glad to see so many tatters here.

tamiestatting@gmail.com: ISN'T IT WONDERFUL

Pam - Needle Teacher: YIPPY I DON'T DO SPORTS SO I AM HAPPY TO JOIN MY FIRST SUPERBOWL TAT

Winkerbill: DH just rolled his eyes when I said I was going to an 'ignore the superbowl tatting party' this afternoon. He just ignores it by ignoring it. 😊

Angie: thanks for practice on the jk, harolah!

AKTATTER: lol

sktattngdesigner@gmail.com: Hi Georgia, so wonderful to see you!

tamiestatting@gmail.com: I HAVE ALL BOYS AND A HUBBS I AM IGNORED ON SUPER BOWL SUNDAY. LOL

Pam - Needle Teacher: SHE PUT IN 24 TO TORTURE ME

Winkerbill: Thanks for sharing Harolah. It's a very pretty snowflake

Angie: haha pam

harolahlala: ty so much Winker

AKTATTER: I see you are studying teh JK, yes it is indeed dainty but it is such a pleasant addition to a pattern.

tamiestatting@gmail.com: OK SO FINISH UP THAT SIDE OF THE CHAIN AND AFTER YOU CONNECT AT THE TOP YOU WILL REVERSE YOUR WORK

Marion: My first Superbowl tat but Superbowl no on in the uk until much later in the eve but hubby is watchng sci/fi 😊

Angie: I haven't even attempted this on needle... afraid i might confuse myself

tigerbutter- laurel: me 2

LindaB: hi Georgia!!! hug.

harolahlala: i think you have a love hate relationship with JK's I love making them

Pam - Needle Teacher: I DID IT ANGIE YOU WILL SURVIVE

AKTATTER: 🙏

Angie: We watch...I cook... but we should be ok

Marion: Harolah I'm sure I will when I master them properly

Angie: haha, yep 1 tool at a time, tho

sktattngdesigner@gmail.com: Soo. I've been harassing Harolah and maybe my brain is not functioning right today

harolahlala: lol still love ya pam

tamiestatting@gmail.com: OK NOW WE HAVE A RING AT THE TOP SO WE WILL REVERSE THE WORK AGAIN AND TAT OUR RING OF 8+ 8

Pam - Needle Teacher: I KNOW YOU DO

Pam - Needle Teacher: IF YOU DID N'T MAKE ME DO THEM I MIGHT NOT

Victoria E: k

carol: K

tamiestatting@gmail.com: THEN REVERSE WORK AGAIN

LindaB: k

Pam - Needle Teacher: SAME FOR NEEDLE

Cyn: k

phyllisS: k

tamiestatting@gmail.com: I TOTALLY SKIPPED THE LAST TING

tamiestatting@gmail.com: RING

Angie: wait, isn't there 2 tor in that first line?

sktattngdesigner@gmail.com: on the end of the 2nd round we end with a chain i believe, so why do we need to rw if our ending chain is already facing outward ready to do a chain to begin the 3rd rnd?

tamiestatting@gmail.com: HOLD UP A SEC. I WILL GET TO THE STUDENTS QUESTIONS IN CLASS PLEASE DO NOT MESSAGE ME WHILE TEACHING I LOSE WHAT I WROTE AND THINK I HAVE MOVED ON

tamiestatting@gmail.com: NOW LETS BACK THIS UP TO THE LAST CHAIN WITH THE JK

Pam - Needle Teacher: HELLO BUFFY

tamiestatting@gmail.com: AFTER YOU COMPLETE THAT CHAIN YOU WILL DO A RING OF 8+8

AC: Sorry, What's a TOR?

Angie: thrown off ring

tamiestatting@gmail.com: ONCE YOU CLOSE THAT RING AND REVERSE YOUR WORK THE RING WILL BE INVERTED AND YOU WILL WORK ON THE TOP RING

tamiestatting@gmail.com: THROWN OFF RING

AC: 👍

TeresaW - T.A.T. Coordinator: TORs are also known as floating rings.

tamiestatting@gmail.com: THAT IS A TOR

Pam - Needle Teacher: THAT WOULD BE SAME FOR NEEDLE

ChristineAS: TOR should be in the pattern legend. That would be helpful.

tamiestatting@gmail.com: THE TOP RING IS 7PICOTS SEPERATED BY 2DS

LindaB: tamie mentioned the change at the start...

tamiestatting@gmail.com: CLOSE AND THE RING WILL SIT RIGHT ABOVE THE INVERTED RING

Angie: the first chain in round 3 has 2 tor (both jk) on it right?

Pam - Needle Teacher: YES ANGIE

harolahlala: Christine i forgot to include it so please make a note on your pattern sorry

Angie: thx

tamiestatting@gmail.com: TRUE ON THAT CHRISTINE

tamiestatting@gmail.com: OK SO DID I ANSWER EVERYONE'S QUESTIONS ON THAT PART OF THE CHAIN WITH THE JK AND THE INVERTED RING AND TOP RING

TeresaW - T.A.T. Coordinator: This is a lovely snowflake and thank you, Harolah. I will state that sometimes the most difficult thing in writing out a pattern is to get everything in the legend, special notes and process for another person to follow.

Angie: umm i'm not sure if you're at the end of the pattern. if not, then yes i have questions

sktattngdesigner@gmail.com: I sure agree with that Teresa

AKTATTER: that is so true

tamiestatting@gmail.com: THIS ONE WAS A RUSH ON IT BECAUSE WE WASNT SURE IF WALLY WAS ABLE TO DO ONE THIS YEAR WITH HER HEALTH AND ALL

LindaB: so true, TeresaW

tamiestatting@gmail.com: GO AHEAD ANGIE

harolahlala: i agree Teresa it is much easier to design the piece than write the pattern

Angie: after the 8+8 ring, where is the next tor thrown from??

tamiestatting@gmail.com: I AM NOT AT THE END YET ANGIE I WILL GET THERE SOON

sktattngdesigner@gmail.com: Oh so very true

Buffy joined the chat 62 minutes ago

Angie: ok, then nevermind

tamiestatting@gmail.com: OK THAT WAS A MISPRINT ON THE PATTERN

tamiestatting@gmail.com: IT WAS SUPPOSED TO BE RING NOT TOR

tigerbutter- laurel: It is nice to have so many people test tat your pattern LOL\

Winkerbill: something else to consider when writing a pattern - even though some abbreviations are common and 'everyone' knows what they mean in English - someone whose first language is NOT English may get tripped up more by the 'common,' normal abbreviations you use. I'd add them to the pattern list of abbreviations, too.

tamiestatting@gmail.com: THAT WAS THE CORRECTION IN THE LAST UPDATE

Buffy: Hello to everyone from cold and snowy Kansas. I was on the wrong time frame... so looks like I missed the first half. I will have to play catch up.

Angie: ooooooooooh

tigerbutter- laurel: All designers have test atters

tamiestatting@gmail.com: THAT'S OK GOOD QUESTION

tamiestatting@gmail.com: EVEN PATTERNS IN BOOKS HAVE TYPOS

Angie: haha.. i had 2 versions, and STILL didn't get the right one..haha

tamiestatting@gmail.com: MISPRINTS AND SO FORTH AS TATTERS WE JUST KNOW WHAT COMES NEXT AFTER WE GET VERSED WELL IN TATTING

Angie: totally understand

ChristineAS: Hi Buffy!

tamiestatting@gmail.com: TRUST ME WHEN I SAY I AM NOT THERE YET BUT STRIVING HARD DAILY

sktattngdesigner@gmail.com: It's such a gorgeous design it's worth it even if the pattern is not completely proofed!

harolahlala: <https://www.dropbox.com/scl/fi/c8e3th2hp...>

Buffy: Hi ChristineAS

AC: No worries, Buffy. I'm still trying to finish Round 2 so that I can get to Round 3!

tamiestatting@gmail.com: OK SO WE COME DOWN THAT OTHER SIDE AND IT IS A REPEAT OF THE FIRST HALF OF THAT CHAIN BUT THE COUNT GOES BACKWARDS SO IT MATCHES ON EACH SIDE.

Angie: thx harolah, thought I had it. teaches me right for not triple checking

tamiestatting@gmail.com: SO DOES EVERYONE UNDERSTAND THAT

sktatttingdesigner@gmail.com: I've had errors in my that have taken a long time to realize

Dyannah: question: when we finish round two and do the lock join, do we reverse work to start the 3rd round?

tamiestatting@gmail.com: YES

sktatttingdesigner@gmail.com: And why do we need to?

tamiestatting@gmail.com: I WAS THINKING THAT MYSELF SUE

Winkerbill: I've found that someone else can find my errors much more easily than I can....and i can find their errors better than they can. I think when we look at our OWN work, our minds make us 'see' what we expect to see, not necessarily what is on the page.

carol: Sorry in round two where does the chain on to

tamiestatting@gmail.com: I TATTED THIS YESTERDAY FIRST CHANCE I HAD AND I WON'T GO INTO THINGS BUT YESTERDAY WAS A ROUGH DAY SO THOUGHT WENT OUT THE WINDOW ON THAT ONE

carol: Lock join to

Winkerbill: that's why it's so great to have test tatters. they point out what we need to explain in better detail, and find our typos.

ChristineAS: If we RW before starting Rnd 3, should we also switch shuttles?

sktatttingdesigner@gmail.com: To me it seems that last rnd 2 ch is joined to the 1st SR iso we are still facing outwards the same as the 1st 3rd rnd will face qout

Cyn: Oh how true Wink...

Angie: the base carol

carol: Thank you

tamiestatting@gmail.com: I AM LOOKING AT MY SAMPLE AND YES YOUR RIGHT SUE

Angie: np

Angie: i agree, sue

Angie: i don't think i did, but didn't really think about it either

sktatttingdesigner@gmail.com: That's so totally true for me too Wink

tamiestatting@gmail.com: WE WOULD BASICALLY BE CONTINUING THE CHAIN GOING UP THE SIDE FROM THE JOIN

Pam - Needle Teacher: NEEDLE IS CLOCKWISE

sktatttingdesigner@gmail.com: Yes, so why rw?

Pam - Needle Teacher: NEEDLE IS NO RW

stitchingsharon joined the chat 55 minutes ago

tamiestatting@gmail.com: SERIOUSLY I DON'T THINK WE NEED TO

stitchingsharon: Hello everyone

sktatttingdesigner@gmail.com: OH oh is it because of a left hand design?

tamiestatting@gmail.com: BECAUSE WE WOULD BE DOING RODS GOING BACK UP

tamiestatting@gmail.com: NO SHE IS RIGHTY

Pam - Needle Teacher: HELLO SHARON

ChristineAS: If you don't RW before starting Rnd 3, all the JKs would need to be tatted from the Wrong side.

TeresaW - T.A.T. Coordinator joined the chat 54 minutes ago

Linda: Hi Sharon

sktattngdesigner@gmail.com: Oh I get it we are ending rnd 2 on the backside?

tamiestatting@gmail.com: NOT IF THEY ARE TOR

tamiestatting@gmail.com: BUT YES WE ARE ENDING ON THE BACKSIDE ON ROUND 2

tamiestatting@gmail.com: OY VEY NOW I AM CONFUSED. LOL

tamiestatting@gmail.com: THE TEACHER IS CONFUSED. THAT IS A GOOD ONE BUT NOT UNHEARD OF

tamiestatting@gmail.com: LOL

Marion: lol

sktattngdesigner@gmail.com: OK, now my dense brain gets it, so sorry for all the confusion guess I

harolahlala: lol i designed it and i am now way confused LOL

ChristineAS: Yes, we end Rnd 2 on the back side. Pattern shows the Chain of Rnd 3 to be tatted on the Right side. "Ring 8+8" is in blue font, so it should be tatted from the Wrong side. (Rods).

Marion: oh Harolah that made me laugh

sktattngdesigner@gmail.com: d better go back to bed and sleep a while

tamiestatting@gmail.com: OK SO WE MANAGED TO CONFUSE EVERYONE LOL GREAT CLASS TODAY HUH. LOL

Pam - Needle Teacher: IF YOU READ YOUR STITCHES AND KNOW WHERE THEY ARE TO GO MAKES IT SO MUCH EASIER IN THE WORLD ACCORDING TO PAM

tamiestatting@gmail.com: WELL AT LEAST WE AREN'T DOING SUPER BOWL STUFF

tamiestatting@gmail.com: AND IT IS SO FUN BOUNCING THINGS WE UNDERSTAND OFF EACH OTHERS BRAINS

harolahlala: that is true

tigerbutter- laurel: 

Carol Best: k

sktattngdesigner@gmail.com: I am so sorry, everyone for my confusion. - will zip my mouth now

MidgeMarly: I'm missing out on the live comradery! 😞 I am trying to catch up but I'm waaay to far behind.

tamiestatting@gmail.com: THIS IS LIFE RIGHT HERE FOR A TATTER AT THE BEST MOMENT IN TIME

tamiestatting@gmail.com: THAT IS OK MIDGE WHERE DO YOU NEED HELP

harolahlala: that is why i like the design class it is like a trampoline in there lol

tamiestatting@gmail.com: WE CAN DO THAT HERE

phyllisS: k

tigerbutter- laurel: lol

Angie: i'm going to tias and see what kind of a beautiful mess i can create!

Dyannah: I am using shuttle and ball, so to do three round I would have to try to do the JK with the ball thread - I can barely do them with a shuttle!

AKTATTER: (Needle tating is very versatile...<http://www.georgiaseitz.com/newtat/nt/pe...>

tamiestatting@gmail.com: I WILL TELL YOU ALL A FUNNY.

Pam - Needle Teacher: LOL ANGIE

LindaB: take care Sue

MidgeMarly: I don't need help, just behind. 😊

tigerbutter- laurel: k

tamiestatting@gmail.com: I HAD SOMEONE WHO HAS BEEN TRYING TO TAT FOR YEARS

Angie: can a slt help dyannah?

tamiestatting@gmail.com: SHE WATCHED THE VIDEOS AND LEARNED AND SHE TOLD ME THANK YOU SHE WASN'T MAKING BIRDS NEST ANYMORE

tigerbutter- laurel: lol

Pam - Needle Teacher: OH THAT IS A GOOD ONE

stitchingsharon: k

Angie: haha, that's a good one

Angie: i can relate!

tamiestatting@gmail.com: DYANNAH THE SLT WILL BRING THE SHUTTLE THREAD BACK INTO POSITION AND SAVE THE HAVING TO WORK WITH THE BALL

sktattngdesigner@gmail.com: LOL

LindaB: georgia, something must have changed? not a good link?

tamiestatting@gmail.com: I ABSOLUTELY LOVED THAT COMMENT

AC: I'll be downloading the chat so that I can look at it later. I am still trying to finish Round 2. You all are too fast!! 😊

Dyannah: thank you - I should have thought of that

tamiestatting@gmail.com: SUE HAS BEEN WORKING ON THE WEB SITE AND WE HAVE FOUND MANY DEAD LINKS WE ARE WORKING TO GET THEM FIXED

Angie: **I'm not tatting. shhhh don't tell everyone

tamiestatting@gmail.com: THAT IS FINE AC

AKTATTER: <http://www.georgiaseitz.com/newtat/nt/pe...>

Pam - Needle Teacher: I CAN'T TAT AND TYPE AT THE SAME TIME SO I AM NOT EITHER ANGIE

Angie: I can't tat and type and think and figure

AKTATTER: <http://www.georgiaseitz.com/newtat/nt/pe...>

sktattngdesigner@gmail.com: We all tat at different speeds AC and all that matters is that you do it and are learning - no racing needed

tamiestatting@gmail.com: OK SO LET'S LOOK AT WALLY'S PATTERN. BLESS HER SHE SENT IT TO ME LATE YESTERDAY AND I HAVEN'T HAD A GOOD OPPORTUNITY TO LOOK IT OVER FULLY. HOWEVER THE PICTURES ARE STUNNING

harolahlala: Ac i am a slow tatter as well no sound barriers broken by me

AKTATTER: sorry about the punctuation at the end, this one works fine

tamiestatting@gmail.com: <https://270fdd73-6557-4528-ac1e-373c82c7...>

LindaB: that one works, Georgia!!! 😊

Pam - Needle Teacher: both worked for me Georgia

MidgeMarly: AC I'm where you are at!!

tamiestatting@gmail.com: PAM MAKE NOTE OF THAT LINK FOR YOUR CLASS THAT IS ONE THAT WE HAVE BEEN LOOKING FOR

Angie: stupid question before you get into the pattern...

Pam - Needle Teacher: WILL DO

Pam - Needle Teacher: WILL DO

tamiestatting@gmail.com: OK NOT A STUPID QUESTION BUT A QUESTION

tamiestatting@gmail.com: GO AHEAD ANGIE

sktattngdesigner@gmail.com: I'm not either, but guess I really should have bee

Angie: grrr... now the pattern won't open...

tamiestatting@gmail.com: WHICH ONE

tamiestatting@gmail.com: HAROLAHS OR WALLY'S

sktattngdesigner@gmail.com: I really like Wally's version with the blue gem in it.

Angie: what is a button with a shank?

tigerbutter-laurel: C:\Users\uaame\Desktop\dups\georgias pearl tatting.pdf

Angie: wally's

AKTATTER: speed is not the essence of tatting because the joy is in the journey

Marion: Can I ask if you RW after the SR do you have to do FSBS

tamiestatting@gmail.com: ME TOO I CAN SEE THAT HANGING IN A WINDOW AS A SUN CATCHER

Pam - Needle Teacher: BUTTON WITH NO HOLES BUT A TAB ON THE BOTTOM

harolahlala: amen Georgia 

tamiestatting@gmail.com: NO MARION YOU CAN TAT ANY PATTERN TRADITIONAL OR FSBS

AKTATTER: 😊

LindaB: agree about the suncatcher

tamiestatting@gmail.com: EXACTLY GEORGIA

Marion: I did tat and missed the FSBS and carried on as usual

Angie: thx!

tamiestatting@gmail.com: <https://270fdd73-6557-4528-ac1e-373c82c7...>

tamiestatting@gmail.com: THERE YA GO ANGIE TRY THAT ONE

LindaB: thank you Harolah for sharing your lovely snowflake pattern!!!

sktattngdesigner@gmail.com: The little tab/nub on the bottom of the button has a hole in it to sew it to the cloth.

Dyannah joined the chat 43 minutes ago

Pam - Needle Teacher: WELL THERE ARE NO RACES AND NO BEATINGS IF YOU DON'T DO IT OUR WAY

tamiestatting@gmail.com: WHAT I FOUND OUT IN THIS CLASS IS THERE IS NO WRONG WAY TO TAT BUT ONLY WRONG THOUGHTS WHILE TATTING

Angie: thx i got it

tamiestatting@gmail.com: AS LONG AS YOU KNOW THE BASIC PRINCIPLE OF TATTING THEN YOU CAN DO IT NO MATTER WHAT

Marion: THX

Angie: too many windows open for my poor little laptop

sktattngdesigner@gmail.com: Thank you Harolah for the beautiful snowflake, you are a great designer!

stitchingsharon: No tatting police

tamiestatting@gmail.com: SO TRUE SHARON

Pam - Needle Teacher: THAT IS WHAT I MEANT SHARON

harolahlala: Thanks Sharon so sweet of you to say

Marion: Phew I won't go to tatting jail 😊

Pam - Needle Teacher: NAH YOUR SAFE

tree: I like being a turtle tatting than a hare

tamiestatting@gmail.com: YES THANK YOU HAROLAH FOR SUCH A BEAUTIFUL PATTERN AND IT ON THE FLY WAS OUTSTANDING. HOWEVER SHE IS ALREADY WORKING ON ONE FOR NEXT YEARS CLASSES FOLKS I SAW IT AND IT'S A PURTY ONE

Marion: Lovely Pattern Harolah thank you again ♡

tamiestatting@gmail.com: OK SUE DID YOU GET AN IN DEPTH LOOK AT WALLYS PATTERN OR NOT

stitchingsharon: No jail, but sometimes spirits hide your tools

Dyannah: Thank you Harolahlala for the pattern.

harolahlala: my pleasure Marion

tamiestatting@gmail.com: I REALLY DIDN'T GET A CHANCE YESTERDAY

Marion: Oh Noooooo

sktattingdesigner@gmail.com: LOL

Cyn: Thank you Harolah for not just a pattern but for the inspiration as well.

Pam - Needle Teacher: I AGREE WONDERFUL PATTERN AND I DID MAKE WITH JK'S ALL 24 LOVELY LUMPS OF TORTURE

sktattingdesigner@gmail.com: No I didn't

carol: Thank you for pattern still work

tamiestatting@gmail.com: I DON'T NEED SPIRITS TO HIDE MY TOOLS I DO THAT MYSELF THEN FIND THEM WHEN I BUY NEW ONES TO REPLAEC

carol: Ing door

Victoria E: thank you Harolah.. enjoying tatting your pattern

Susan F: Will this chat be available from the class homepage

harolahlala: My pleasure Cyn love to share my love of tatting

tamiestatting@gmail.com: HUBBS SAYS I DO THAT JUST TO GET NEW TOOLS ALL I DO IS DENY

tamiestatting@gmail.com: LOL

harolahlala: thank you all

Angie: but pam are they still torture?

stitchingsharon: My JK's are much improved thanks to Teresa's hint about the ds at beginning and end

Pam - Needle Teacher: DON'T sUSAN F BUT I AM HOPING

Pam - Needle Teacher: TAMIE OR SUE WILL THIS LOG BE POSTED ON HOMEPAGE

Linda: Thanks for the beautiful pattern Harolah!!

tamiestatting@gmail.com: YES IT WILL FLAWS AND ALL

LindaB: lol

TeresaW - T.A.T. Coordinator: Sharon, it's actually a tip I gleaned from some of JaneE's techniques and patterns.

Pam - Needle Teacher: WE ALL HAVE THEM

harolahlala: my pleasure Linda

Carol Best: It would be really good for me to have a log to refer to. (I was unable to print the pattern).

tamiestatting@gmail.com: I BELIEVE WE ALL SHOULD SHOW OUR FLAWS TO LET THE WORLD KNOW IT DOESN'T HAVE TO BE PERFECT TO BE BEAUTIFUL

tree: true

harolahlala: now when i make the JK i dont put the ds mine are all 1/2 stitches why i am not sure

tamiestatting@gmail.com: CAROL I WILL GET IT INTO A PDF AND SEND THAT TO YOU AFTER CLASS

tamiestatting@gmail.com: DOES ANYONE ELSE NEED A PDF OF THE PATTERN

Buffy: What I have found, it that those who do not tat... do not always see the flaws... but the beauty!!

tamiestatting@gmail.com: EXACTLY BUFFY

sktattngdesigner@gmail.com: I can post it as a link on the main website page I'll let Tammy know where - I should be abler to do it tonight!

Linda: Yes, I do.

LindaB: that would be great Sue!

Marion: Its the same with most things. I don't think hubby sees my flaws I hoe not anyway

harolahlala: lol buffy but i will point them out to them LOL why do i do that or feel the need

tamiestatting@gmail.com: OK THANKS SUE THAT WOULD BE AWESOME I WILL GET IT DONE AFTER CLASS AND SEND TO YOU

Carol Best: Thank you Sue.

Buffy: I was quite mortified one year...I had completed my beautiful doily and was putting on the board for display and saw big flaw... in one section.. I had not joined the rings... they were loose. It was not anything a person would have noticed unless they picked it up. Well I got a blue ribbon... felt a little guilty... but if was a beautiful doily!! flaws and all.

tamiestatting@gmail.com: OK LETS GET INTO THE HIGHLIGHTS OF WALLY'S PATTERN SHE WORKED HARD FOR US TO USE IT AND IT IS HER BIRTHDAY PRESENT TO US ON HER BIRTHDAY

AKTATTER: so true Buffy

Diane: I would love a PDF of the pattern

Marion: HB Wally

tamiestatting@gmail.com: SHE BELIEVES IN GIVING ON HER BIRTHDAY AND AS A GIFT WE SHOULD ALL TRY TO TAT IT IN HER HONOR

Buffy: Ahhh Happy birthday Wally!!

sktattngdesigner@gmail.com: Maybe it would be good if I work on getting a link to all the previous superbowl Sundays too. I'll check the files for one too.

tamiestatting@gmail.com: DIANE SUE IS GOING TO POST THE PDF ON THE HOMEPAGE AT <https://www.georgiaseitz.com/>

harolahlala: √ agree Buffy

tigerbutter- laurel: Happy Birthday

Buffy: I will for sure.... I looked at all the beautiful motifs she had and especially liked the red, green and white.

Marion: I accidentally enlarged my type now I can read it better LOL e

tamiestatting@gmail.com: THAT WOULD BE AWESOME. YOU KNOW I THINK IF WE ALL TATTED UP ONE OF WALLY'S PATTERNS AND SENT THEM TO HER BY PHOTO IT WOULD UPLIFT HER SPIRITS ALOT

sktattngdesigner@gmail.com: Oh, Georgia - might there be a specific log page for all those Superbowl patterns that I could look for?

tamiestatting@gmail.com: IS SHE BACK IN THE STATES OR DO WE KNOW

Susan F: Yes. I could use a pdf also

Angie: brb

TeresaW - T.A.T. Coordinator: Wally is in Wilmington, NC.

AKTATTER: let me see

Cyn: I believe Wally is in NC...and Teresa has the city too...

tamiestatting@gmail.com: GREAT THEN MAYBE WE COULD SEND THEM TO HER. SHE WOULD BE SO PROUD

sktattngdesigner@gmail.com: What a great idea?

tamiestatting@gmail.com: THAT WOULD SHOW HER WHAT SHE MEANS TO THE TATTING COMMUNITY WOULDN'T IT AND HELP HER HEAL

Anita Barry: Great idea!

harolahlala: that would make her day

tamiestatting@gmail.com: HI ANITA

sktattngdesigner@gmail.com: the question mark was not intentional!

Anita Barry: Happy Sunday!

tamiestatting@gmail.com: THAT'S FINE SUE. SO IS EVERYONE IN ON THAT FOR WALLY

Anita Barry: Hi Tamie

sktattngdesigner@gmail.com: YES

TeresaW - T.A.T. Coordinator: I believe that I may have an address for her if you wanted to send a card. Just let me know.

tamiestatting@gmail.com: LET'S DO IT GANG.

Diane: Yes

Anita Barry: Ok

LindaB: sure.

Linda: Yes

harolahlala: √

tamiestatting@gmail.com: YES CAN YOU EMAIL THAT TO ME THEN I CAN LET THE STUDENTS KNOW MY ADDRESS AND I WILL SHIP THEM OUT TO HER MYSELF

Anita Barry: Ok

carol left the chat 30 minutes ago

tamiestatting@gmail.com: THANK YOU TERESA

LindaB: she went for a visit a few months ago, but she lives in NC

Pam - Needle Teacher: i thought she had to stay because of the virus

Buffy: Sounds like an absolutely great idea! Count me in!

Pam - Needle Teacher: wow those are quite a few

tamiestatting@gmail.com: SHE HAS A BEAUTIFUL SOUL AND A BEAUTIFUL HEART AND THAT IS WHY IT IS SO IMPORTANT TO GIVE HER ENCOURAGEMENT AS SHE GOES THRU HER HEALTH ISSUES

tree: she brought her mother back to the mainland

TeresaW - T.A.T. Coordinator: Wally went to PR to help get her mother moved to NC. I did see where her mom had received her 1st vaccination.

sktattngdesigner@gmail.com: Great, thanks for doing that Georgia, I will use that to get them all together.

TeresaW - T.A.T. Coordinator: That was in Wilmington.

Pam - Needle Teacher: i am glad she is back

LindaB: totally agree, Tamie!

tamiestatting@gmail.com: OK SO I WILL SEND OUT IN EMAIL MY ADDRESS TO ALL. IF YOU WANT TO PARTICIPATE THAT IS FINE IF NOT YOU DON'T HAVE TO BUT THINK WHY WE ARE DOING THIS BEFORE YOU DECIDE NOT TO.

LindaB: k
