

Wide Edging in Mignonette style with Onion Rings

Sample by Sunela Thomas

A traditional pattern of opposing rings is the header for this wide edging.

R 3 - 2 - 2 - 2 - 2 - 3 clr rw Leave 3/8" (1/2 cm) bare thread space (BTS)
R 3 - 2 - 2 - 2 - 2 - 3 clr rw BTS

*R 3 + 2 - 2 - 2 - 2 - 3 clr rw BTS
R 3 + 2 - 2 - 2 - 2 - 3 clr rw Repeat from * for length desired.

Mignonette section:

*R 2 + (join to center picot of ring on first section) 2 clr Do not reverse work (DNRW) BTS
Repeat from * across
Repeat this row once joining instead to the BTS

Onion ring section:

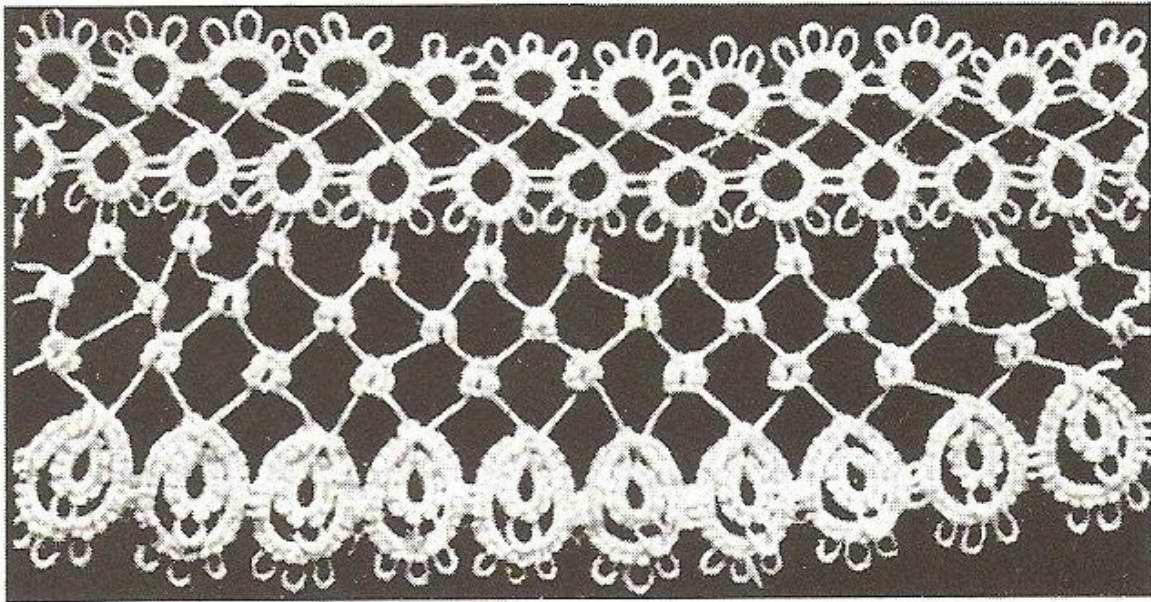

R 2 + (join to BTS on mignonette row) 2 clr rw BTS

R 5 + 5 clr DNRW rotate in hand and make a second ring around the first ring.
R 6 - 2 - 3 - 2 - 2 - 3 - 2 - 6 clr rw

*R 2 + (join to BTS on mignonette row) 2 clr rw BTS

R 5 + 5 clr DNRW rotate in hand and make a second ring around the first ring.
R 6 + 2 + 3 - 2 - 2 - 3 - 2 - 6 clr rw

Modern method today would join the outer onion ring to the inner ring's picot.

50. Eine schmale alte Spitze.
