

Forty Original Designs in Tatting By Nellie Hall Youngburg Novel and Unique Designs with Complete Instructions for Every Pattern Designed and Executed by Nellie Hall Youngburg, Brookings, SD© 1921. As a summer tatting project tatters in the Online Tatting Class have been rewriting and modernizing the patterns in this vintage tatting book. Diagrams and new models have been prepared to help the tatter follow the patterns more easily. Both the original public domain booklet and the new version are being posted online to share with all tatters everywhere.

Nellie Hall Youngburg Camisole Yoke #36 with points Over Shoulders

New model and magic thread aids by Paule Primeau

Blue center tatted with Altin Basak #50; the 2nd round of the 2 bottom motifs was tatted with Flora HH #20 and the 2nd round of the top motif was tatted with crochet cotton Olympus #40.

One shuttle only

R = ring

p = regular picot

P = big picot (twice as long as regular picot, 1/4 inch) necessary for the work to lie flat

+ = join

MT = magic thread to hide ends

clr = close ring

Blue center: with # 50 Altin Basak

R1: 6ds (insert MT if using), 1big P, (2 ds, 1 p) 4 times, making the last picot a big 1/4 inch Picot, 6 ds (insert MT if using), close ring.

R2: 6ds, + (to last big picot of R1), (2 ds, 1 p) 4 times, making the last picot a 1/4 inch Picot, 6 ds, clr.

R3, 4, 5: same as R2.

R6: 6ds + (to last big Picot of R5), (2ds, 1 p) 4 times, joining last p to first big Picot of R1, 6 ds, clr.

Hide ends with MT or your own method.

Pink 2nd round

R1: * 4ds (insert MT if using) 1 p, (2ds, 1 p) 6 times, 4 ds (insert MT if using) clr.
 Leaving ¼ inch thread, join ring to 2nd picot of ring in blue center with Shuttle
 Lock Join.

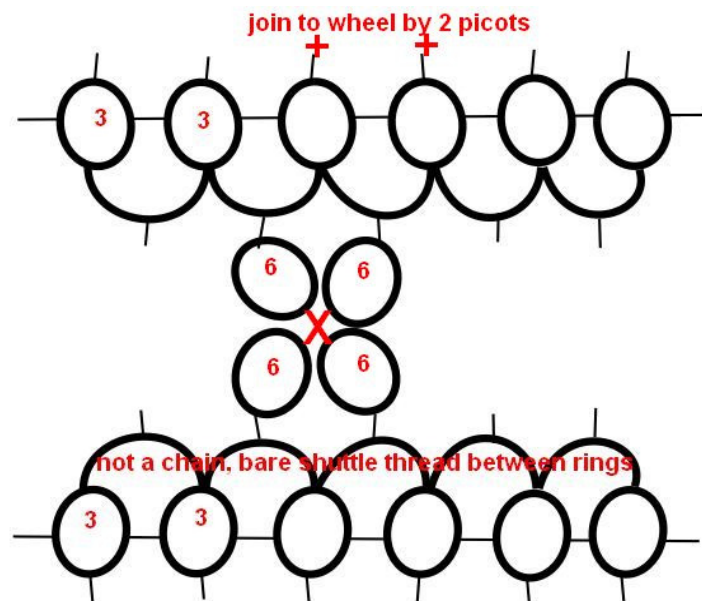

Leaving another ¼ inch thread, repeat R1 from *(without inserting MT!) joining
 first picot of ring to last picot of previous ring .

Continue until there are 12 rings around blue center, joining last picot of last ring
 to first picot of R1. Hide ends with MT or your own method.

With the threads I used, each motif measures 2 inches (5 cm) in diameter and
 should be joined together by the center picot of 2 rings. The number of motifs
 needed to tat the whole Camisole Yoke would vary with the thread used and
 should be adjusted by each tatter.
